The Childcare Register: inspection outcome - compliant

I inspected your childcare provision on 25 October 2018.

At the time of the visit I confirmed that you were complying with all of the requirements for registration on the Childcare Register.

Please read carefully the registration requirements for the Childcare Register which are described in Annex C of *The early years and childcare registration handbook*, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must continue to meet these requirements in order to remain registered on the Childcare Register.

If you have any questions please contact us on 0300 123 1231 quoting the reference number at the top of this letter.

Yours sincerely

Helen Robinshaw
